JEPHTHAH ONUOHA

Frontend Web Developer

+234-906-928-3010 jeffonuoha01@gmail.com onuohajephthah.netlify.app

ABOUT ME

Frontend Engineer with 4+ years of experience building responsive, scalable, and user-focused web applications. Strong expertise in React and TypeScript, with a focus on performance optimization, reusable component architecture, and clean UI implementation. Experienced in translating design systems into production-ready interfaces and collaborating with cross-functional teams to deliver high-quality digital products.

TECHNICAL SKILLS

- Languages: JavaScript (ES6+), TypeScript
- Frameworks/Libraries: React, Next.js
- Styling: Tailwind CSS, CSS3, HTML5
- Tools: Git, GitHub, Figma
- Data & APIs: REST APIs, Axios / Fetch, React Query
- Other: Responsive Design, Performance Optimization, Component Architecture

WORK EXPERIENCE

Clan Africa | Jan. 2026 - Present

Frontend Web Developer

- Developed and maintained responsive web interfaces using React and Tailwind CSS
- Built reusable UI components to improve scalability and maintain consistency across the platform
- Collaborated with designers and backend developers to deliver user-friendly, high-performance applications
- Optimized frontend performance and ensured cross-browser compatibility

SteadySteps (Contract) | March 2025 - Present

Frontend Web Developer

- Built a responsive landing page and admin dashboard using React and Tailwind CSS
- Translated Figma designs into pixel-perfect, accessible interfaces
- Implemented reusable component structures to support a scalable design system

Chest (Contract) | April 2025 - September 2025

Frontend Web Developer

- Developed a responsive product landing page with a focus on performance and accessibility
- Ensured UI consistency by implementing reusable components and structured layouts

Cribvest (Contract) | Mar 2025 - May 2025

Frontend Web Developer

- Assisted in integrating APIs for both admin and user dashboards
- Collaborated with cross-functional teams to deliver responsive and functional UI features

Globaltech World Computer Institute | Oct 2023 - Dec 2024

UI/UX Design Instructor

- Trained students in product design principles and UI/UX best practices
- Guided learners through hands-on projects, improving their readiness for internships

Globaltech World Computer Institute | May 2023 - Dec 2024

Web Development Instructor

- Taught frontend development fundamentals including HTML, CSS, and JavaScript
- Mentored students through real-world projects and practical development workflows

---

PROJECTS

Jaypegs – Image Platform

https://jaypegs.netlify.app

- Built with React and integrated the Pixabay API
- Implemented image search, save, and download functionality
- Managed API data fetching and UI state for smooth user experience

Jefflix – Movie Discovery App

https://jefflix.netlify.app

- Developed a movie browsing interface for discovering and saving shows
- Integrated external APIs and managed dynamic UI updates

Roeyal (Ongoing) - E-commerce platform

https://roeyal.vercel.app

- Built with Next.js for a scalable frontend architecture
- Developing responsive product pages and shopping experience

CoreMed (Ongoing) – Hospital Platform

https://coremed.vercel.app

- Designed and developed responsive UI for a healthcare platform
- Planned expansion into a full hospital management system

Other Projects

- SteadySteps Landing Page - https://steadysteps.app
- Timmie Travels - https://timmie-travels.vercel.app

EDUCATION

National Open University Of Nigeria | 2024-Present

B.Sc. Computer Science

Bachelor of Science Degree in Computer Science

Federal College of Education (Technical) Secondary School | 2011 - 2017

Secondary School

Completed Basic Education and obtained O'Level certificate

AWARDS & CERTIFICATIONS

- Diploma in Web Development (Globaltech World Computer Institute, Dec 2020)
- Best Intern (Globaltech World Computer Institute, Dec 2020)
- Diploma in Graphic Design (Globaltech World Computer Institute, Mar 2021)
- Diploma in Product Design (Cholatrek Institute, Mar 2023)
- Most Hardworking Staff (Globaltech World Computer Institute, Dec 2023)

SOFT SKILLS

- Public Speaking
- Team Collaboration
- Problem Solving
- Communication
- Adaptability
- Attention to detail
